Nantucket Sampler

The island of Nantucket is a simply marvelous place to visit by ferry because everything is reachable on foot. The village is preserved, better than it was, but in the same configuration and you can range up and down the cobblestone streets and see the most varied and unique styles of homes. Look at the home above. You know it's Nantucket by the fence, the doorway and by the detail on the roof. You can't mistake that style-the island look.

The rebuilt waterfront is a pleasure to gaze upon. It's almost a village itself but built on the water is host to hundreds of yachts hailing from everywhere.

At the foot of Main Street are the old counting houses just as they were in Melville's time and underfoot are the old stones that came as ballast from the far corners of the earth and were worn smooth by the carts carrying casks of oil from the whalers home from the Pacific.

More Cuts Discussed

MATTAPOISETT SELECTMEN'S MEETING
AUGUST 1, 1989-by VIRGINIA MORGAN

Selectmen Chairman Bernard F. Talty was the only Selectman present at the meeting last Tuesday to discuss with the Finance Committee more proposed cuts in town department budgets to cover the $373,000 deficit in the town operational budget that was defeated twice as an override. Finance Committee Chairman Elizabeth Kunz and member Robert Banz attended. Selectman John N. DeCosta was on vacation and Selectman William F. Hubbard was celebrating his wedding anniversary.

Among the departments and accounts were: Town Clerk-Elections and Town Meetings. This is a bare bones figure now and no cuts will be made. The account to print annual town reports will be less but cannot be eliminated said Town Administrator Lois K. Ennis, according to state law. "We will just have to come out with a simpler and less structured book, more of a pamphlet size." The sum of $9,900 was originally requested for fiscal 1990.

The Selectmen's account of $58,604

recommended for 1990 is already below fiscal 1989 ($63,630) so it can't be level-funded. Chairman Talty said the Board has not agreed on what to do about the Selectmen's staff. "Previously, we had a full time professional secretary and full time administrative secretary for a total of $42,000. Administrator Ennis cannot do two jobs - it's not possible. Now, the Town Clerk's office clerks are doing extra work, Conservation Commission secretarial work for about 10-12 hours per week and billing for ambulance collections."

Chairman Talty recommended and the Finance Committee agreed the Commission's secretary wages should be paid by the Selectmen's office and the billing be put into the ambulance account. He noted the ambulance collections have increased because of more aggressive billing.

Mrs. Kunz asked Selectmen to structure a budget such as hours and wages for clerks. "We are aware you are restructuring the office staff. The Selectmen's budget will not be level-funded for 1990 because it was less than the 1989 budget. A $2,000 reduction will be recommended for the town accountant's budget."

Town Counsel budget has been level-funded for the last two years at $32,000; however, special cases such as the Stratton Finishing Company's case has cost $11,000 extra. Mr. Talty said this office doesn't use town counsel as much, but they have to approve his use by other town departments. The sewer treatment plan contract with Fairhaven will cost additional money, Mr. Talty said.

Committee member Banz asked if the use of prisoners as para-legals to do some work has been considered. He noted the

company he works for has used prisoners for this purpose. Mr. Talty said he will check this suggestion with Plymouth County Sheriff Peter Flynn. Mrs. Ennis said she discusses the cases with department heads before they go to town counsel to reduce time and costs.

Town Hall expenses will be recommended to be cut from $28,850 to $23,800. The possibility of leaving the Town Hall open only four days per week in the winter months could save something, said the Chairman, and will be investigated further.

The present use of the old police station was discussed as to whether it should continue to be heated. If heat is continued, the Selectmen's budget will have to be increased. Future consideration will be given to putting the town nurse in the old police station. This would allow easy access for seniors, plus the availability of restrooms on the first floor.

The administrator said $5,000 was approved at the annual town meeting to hire an engineer/architect to design a vault for Town Hall records in the former ambulance garage area.

The possibility of turning out certain street lights to save money will be considered. Street lighting costs have risen because of upgrading the system. "We can't level-fund without shutting off lights." It was noted the town will have to pay to remove the light from the pole and if the town puts the lights back in the future

it will have to pay to reinstall the light fixtures. The cost will be checked further.

Rubbish - the present contract of $64,000 for trash collection will be retained. If the trend continues for low state aid and override possibilities, "we will be worse off next year and may have to go to private collection", said the Chairman.

Finance Committee Chairman Kunz commented she would really like to see two percent pay raises. "I realize this is a token amount and a slap in the face, but we are saying we really want to give you a raise."

An estimated $175,000 would cover a two percent pay raise for all town employees including school teachers. Chairman Talty noted this sum could come from having the town adopt the SEMASS proposal for the sanitary landfill. He stressed he was not recmmending a yes or no vote for SEMASS takeover.

In other business, Selectmen:

RECEIVED NOTICE from the Board of Health that Donald Wood, Agent for the Board of Health, is terminating this position effective August 14, 1989. Health Board Chairman Daniel C. Lee said, in his letter to the Selectmen, "This position requires a full-time person and Mr. Wood is unable to resume full-time status. At the present time Mr. Wood was working 20 hours per week. Mr. Wood has been the Agent for about 11 years."

The Board of Health is transferring Dale Barrows from the Mattapoisett landfill to the position as Agent for the Board of Health, effective about August 14. In this capacity Mr. Barrows will still have authority over the landfill and work as the Agent on a full-time basis. Mr. Lee noted the landfill will be open to the public only two days per week.

Mr. Barrows has experience in perc testing, water tables and construction with his previous employer, Denham Construction Company. He is learning the paper work now, said Chairman Lee. Mr. Barrows is a member of the A.F.S.C.M.E., AFL-CIO Union. Chairman Lee estimates about $15,000 will be saved by the changeover.

RECEIVED A LETTER from Mr. Howard S. Bates, 9 Water Street, requesting the Selectmen's cooperation to correct the situation of noise, music and vibrations that can be heard beyond the Mattapoisett Inn building. Written on behalf of Mattapoisett villagers, he wrote, "because of lack of sleep by the village residents we appeal to you to correct the problems. This is a residential area. An appeal last year with the Selectmen to close the Inn at midnight was not acted upon. In the past, any admonishments to the owners, has only resulted in a very short period of relief."

Selectmen will ask the Mattapoisett Inn owners for a written response to the complaints. This written response will be placed in the restaurant's file until such time as licenses are renewed.

RECEIVED A COPY OF A LETTER sent by the Board of Health to Arthur C. Thompson, Inc. regarding the septic plan for Mr. Antone Furtado and the former Gaetano's Restaurant on Route 6. The Health Board is requesting six issues be initiated: what bounds the property on the northwest corner and all along the north end of the system; have the Mattapoisett River shown on the plan in conjunction with the septic system; test pits should be dug at each corner of the proposed system and also in that part of the system on the River Road side; we wish the location of the septic tanks and pump chamber be moved in closer to the building in a more central location, even if the shed has to be removed and the gas and water services be relocated; the Board does not believe that the trailer should be utilized as a two bedroom home, thereby taking the septic system further. This could be utilized for storage in place of the shed that will be removed. The Board will not allow a residue to be built there; the cesspool to the southeast of the trailer is to be completely abandoned and removed and all piping to it and from it shall be disconnected and removed. And the septic tank in the back of the building shall be removed.

WE ARE NOW OPEN MONDAY-FRIDAY 9-6.....SATURDAY 9-5

Mrs. Diane H. Perry of Brandt Island Road, with a petition of about 40 signatures of residents, requesting the Planning Board include a bridle path in the Growth Management Committee's proposal for the town. She noted "we are ready, willing and able to help the committee. Horseback riders in town have traditionally used trails through Tinkham Forest, as well as the old railroad right of way. We urge that accommodations be made to continue this use and/or to provide alternatives."

AGREED to have recently resigned Town Accountant Karen Long close the town's books, do year-end reports and prepare the financial Schedule A statement. She will work part-time at $20. per hour. Mrs. Long will also prepare next year's budget. Selectmen will check into hiring a part-time professional accounting service.

On a similar matter, Kim McCartin, town accountant's clerk, will be paid an extra $25. per week to compensate her for the additional responsibility to prepare the town's weekly warrant (to pay wages). This will supplement her current $6. per hour wage.

DISCUSSED the use of temporary parking sticker for the wharf and beach. Administrator Ennis said she has had many requests for stickers from people who are in town temporarily. She cited a family of 10 members who all want stickers who have a financial interest in town property.

impounded for possible future release by the state and this depicts the worse scenario for the town." However, he said the 54.9 percent figure is not correct as it does not reflect the Chapter 70 funds and lottery money the town will receive. The original local aid figure was $482,419 before the cut.

Six months from now if the state receives more money than anticipated in receipts, additional funds will be released to the towns. "Our $212,648 figure already reflects the impounded funds so we can't plan on any extra funds."

The Finance Committee will have to find another $150,000 to cut from the town's operational budget in addition to the $373,000 that failed twice as an override.

Chairman Talty said he doubted Selectmen would seek a third try at an override. "We will be looking at people, salary reductions, the sanitary landfill and rubbish collections. The cuts will have to be shared by all departments. We had hoped we wouldn't have to cut into personnel, but there will have to be very serious cuts in payroll and people."

In addition to dealers' tables, there will be a White Elephant table set up by the church, as well as a snack bar in the parish hall. Spaces are still available and reservations may be made by calling Barbara Macy at 748-0769. Setup time starts at 6 a.m. with coffee and donuts available. Rain date is Saturday, August 19th.

Rochester Open Space Plan GETS HIGH GRADES

Rochester Open Space Plan is "among the best" in the state, said Elizabeth Miller, Division of Conservation Services Program Coordinator.

The recently approved five year plan allows Rochester to qualify for matching funds in purchasing conservation and recreation land. The program is funded with federal money in the Land and Water Conservation fund, and distributed through the Executive office of Environmental Affairs.

Carolyn Gilmore, Chairman of the Open Space Planning Subcommittee which drafted the report, presented a copy to Rochester' Selectmen on July 31. "This is Rochester's third Open Space Plan, representing 15 years of conservation and outdoor recreation planning", she said. "For a small community, Rochester has an impressive record of achieving most of the goals in past plans." Part of the success

of the plan was the tremendous input of residents and town officials.

Last year an open space questionnaire was completed by 26 percent of the households in town. Residents noted they enjoyed swimming, walking, biking, fishing, and boating in Rochester. About a third had family members who used the ball fields and most families take advantage of beach privileges in Marion and Mattapoisett. The most comments and questions were directed toward the Mary's Pond Town Beach.

Townspeople valued Rochester as a rural farming community, were concerned about groundwater quality and quantity and decried the loss of agricultural qualities of the town.

The results of the survey are included in the Open Space Plan.

The major goals outlined in the plan for the next five years are to preserve ground and surface water, protect rural Rochester and expand recreational opportunities. Recommended for action were implementing an aquifer protection zone, purchasing development rights to forestland and opening the Mary's Pond Town Beach for residents.

A permanent Open Space Subcommittee will oversee the five year plan of action.

Last year the Rochester Conservation Commission received a $3600 grant from the Plymouth County Conservation District to develop a five year open space plan. A subcommittee of Carolyn Gilmore, Linda James, Dianne Wood and Laurene Gerrior worked with planner Linda Rinta on the pro-

Dunseith Auction Planned

CONSERVATION LAND

The Mattapoisett Land Trust formally announces the gift of Henry Dunseith of his house and property on the corner of Route 6 and North Street. This land, the site of the famous Mattapoisett sea horse and once busy gift shop, will be held in trust for conservation purposes.

Henry Dunseith passed away in September of last year. His donation of house and property exemplifies his keen interest in land conservation and in the preservation of the character of Mattapoisett which is so very important to all of us. With careful planning over the coming months, the Trust will work to carry out Henry's wishes, preserving and maintaining the property while researching ways in which it can be used for the benefit of all citizens in Mattapoisett.

Top priority this summer is the set-

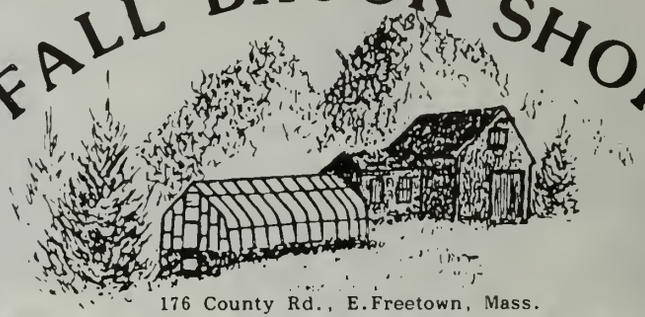
Examination by appointment only.

tling of Mr. Dunseith's estate. On August 26th the Land Trust, with the generous assistance of Mr. Charles Lalli, will sponsor an auction of the furniture and contents of Mr. Dunseith's house. The auction will be an excellent opportunity to acquire not only basic furnishings but also many items left from the gift shop, Henry's many holiday displays, and the trains. The sea horse itself is not for sale; it will be preserved as it is in keeping with Henry's wishes.

FALL BROOK SHOP



176 County Rd., E.Freetown, Mass.
Tel. 763-3159

Now Dried & Ready for Sale...

German Statice, Assorted Statices, Pink, White & Mauve Strawflowers, Eucalyptus & lots more!

HOURS: Wed-Fri 12-6; Sat & Sun 10-6

The proceeds of the auction will be used to manage Mr. Dunseith's estate and to maintain the property and gardens. At a later date the Trust will research options for charitable uses of Henry's house, possibly in cooperation with the Town of Mattapoisett. Preparation for the auction has required much time and work on the part of the Land Trust board, the membership and volunteers. Assistance with the auction would be greatly welcome, and those interested are encouraged to contact George Mock at 758-9792 or Beth & Randall Kunz at 758-2966.

Henry Dunseith has left us all with a gem: a beautiful, park-like property in the center of Mattapoisett. This preservation of open-space, as well as a little bit of our history, is a tribute to Henry's strong sense of place and love of Mattapoisett.

Library Arts & Crafts Show

The 7th annual Arts & Crafts Show is coming to the Mattapoisett Library on Saturday, August 19th, from 10:00 a.m. to 4:00 p.m. This event has proven to be a popular attraction of our summer season.

One of the very interesting things about this show is that some of the craftspeople are actually demonstrating by working on pieces in progress so

that visitors are not only able to talk to them but to observe the techniques used to produce the work.

One of our local artists, Tony Pelson, who works in leaded glass, has added a whole new dimension to his work by the creation of kaleidoscopes and antique car replicas.

One of the great joys of childhood before radio and television, the kaleidoscope, based on the word from the Greek meaning beautiful, reflects the images from bits of colored glass and multiplies and transforms these bright images into changing patterns in infinite design. These kaleidoscopes consist of a tube, an eye piece, a capsule containing glass chips or a wheel or wheels studded with the objects to be viewed; three reflecting mirrors inside the tube running its length and inclined toward each other at an angle. The eye placed at one end of the tube which is turned toward a light source. The other end of the tube contains the objects to be viewed. As these

of Nantucket, who evaluated and identified the Society's collection of antique clothing, this exhibit came to pass. It is well worth viewing.

The articles in this exhibit represent only a small portion of the Society's total collection. Because everyday clothes were probably worn until they wore out, these are "best" dresses and have been well cared for over the years.

The Museum at the corner of Church and Baptist Streets, is open Tuesday through Saturday from 1:00 to 4:30 p.m. and is air-conditioned for everyone's comfort.

Mattapoisett Council on Aging

The Mattapoisett Council on Aging wishes to take this opportunity to thank each and every volunteer for making this a banner year for the Council. This has been a year of ongoing growth, due to the many, many volunteers who have dedicated their time and energy to the services implemented for the seniors of Mattapoisett.

Many, many hours have been compiled by these willing people, giving unstintingly of their time and energy to services and programs, all in the best interest and welfare of the Mattapoisett seniors.

The program FISH, taking seniors to and from doctor and dentist appointments, is totally volunteered by people who care.

Our Outreach Program is manned by many volunteers, reaching into homes for the seniors who are household, bringing cheer and companionship to these shut-ins, and also visiting nursing homes. A dedicated volunteer spent hours in train-

ing so that he could help the elderly with their income taxes and insurance needs. Commodities are distributed by volunteers, not only to the elderly but to other qualified townspeople. A monthly visit to Village Court by a Podiatrist is coordinated through the Council office and a dedicated volunteer at Village Court. Schools have participated in Intergenerational Programs with students, teachers and some elders.

Our trip coordinators are volunteers, planning day trips with the mini-van and longer motorcoach trips. The Board of Directors, the backbone of the Council, are all volunteers, meeting once a month in the Council on Aging office in the Town Hall.

We thank you all. May you continue to give of yourself and your time, and because of you, we know we are doing the best we can to assist the fast growing population of Mattapoisett seniors.

Thank You,
Amy Peters, Director

responsible for providing transportation to and from school each day. Efforts are made to assist parents in forming car-pools.

Enrollment is open to all children from Marion and Rochester who will be four years old by February 28, 1990. Preference will be given to children from low-income families and others in need as determined by the Early Childhood Advisory Council. Applications are being accepted for eight openings.

The purpose of Project GROW is to provide pre-school experience to children whose families have been unable to enroll them in another program and who desire a pre-school experience for their child and to provide children with special needs the opportunity to receive service in the least restrictive environment.

The program is staffed by a certified teacher and an aide. Home visits are an integral part of the program with the teacher visiting each student's home regularly.

A recent mailing, based on town census information, was sent to all families with age-eligible children. If you did not receive a mailing, have an age-eligible child, and are interested in this program for your child you may pick up an application at the Sippican School beginning August 21st. Priority will be given to applications received by August 23, 1989.

Congregational Church

SUNDAY SERVICES

The Mattapoisett Congregational Church welcomes everyone to their Sunday worship service. During the summer months the services are held at 9:30 a.m.

"Finding (or Pushing) Your Horizon" will be the title of the sermon on Sunday, August 13th, and will be delivered by the Reverend Raymond David Patch. The sermon will explore how open we are to venturing beyond accepted stereotypes, attitudes and beliefs. Perhaps the Church, like other facets of our lives, has become

single family dwelling units and private garages, including one public housing authority unit and eight HOP-assisted units. The subdivision is derived from a memorandum of understanding entered into between the developer and the Mattapoisett HOP committee and the Board of Selectmen dated February 8, 1989. The permit was granted on July 27, 1989.

The Appeals Board declined to rule on a dual application - one for a 49 unit subdivision and the second for the 31 unit subdivision. The board felt it would place an unncecessary burden on them and would complicate the proceedings and confuse both the board members and the public participants who attended each and every session of the public hearings. There were a series of nine separate evening sessions of the public hearing.

The lot contains 17.4 acres of which 10.5 acres are upland and 6.9 acres are wetland. There will be a 40 foot road within the subdivision. The applicant is seeking to reduce the number of common driveways from the preliminary plan of six down to three. The density regulations

next to the Sippican Coffee Shop

include 7,500 square foot minimum lot size; 33 feet frontage; minimum street setback, 20 feet, side, 10 feet, and rear, 27 feet.

Certain provisions of the zoning by-law will be exempted, such as construction trailers will be allowed; use of a dwelling unit as an on-site office and model house; a sign on Park Street; construction of a roadway without berms or sidewalks; dead end street requirements.

The comprehensive permit process is governed by the statute on Low and Moderate Income Housing Act and rules and regulations on Housing Appeals Committee criteria for decisions, HOP guidelines for communities and developers, and decisions of the Housing Appeals Committee and the courts. The purpose of the statutory and regulatory scheme is to support mixed-income housing projects with at least 30 percent of the total units affordable to low and moderate income households and the balance of the units being sold at market rates. In summary, "we have balanced the 'housing need' of the town against the 'local planning need' and conclude the comprehensive permit with the safeguards continued in the Conditions and Requirements ought to be granted." The permit shall lapse two years

from its effective date if construction has not begun by such date except for good cause.

Under the Conditions and Requirements, the Appeals Board will retain continuing jurisdiction over the subdivision for all purposes, including, but not limited to, consideration of the final plan of subdivision, proposed modifications, disputes, and granting releases from the Covenant. The lot sizes will range from 7,700 square feet to 103,600 square feet.

All single-family dwelling units and private garages will be of wood frame construction with siding of wood clapboard or white cedar shingles. All dwelling units will have full basements, except where impractical because of site conditions. Units will have a maximum of two stories and will not exceed 35 feet in height; garages one story and not exceed 25 feet in height. Upon the request of a prospective buyer the applicant will offer to provide modifications for handicapped accessibility on terms mutually agreed upon.

Subject to changes of market conditions or site conditions, the applicant will complete the subdivision in three phases over an estimated 18-month period. Phase I will include lots 1-8; Phase II, lots 9-18 and 25-31; and Phase III will include lots 19-24. Nine of the 31 lots and single-family dwelling units shall be affordable to low and moderate income households under the HOP guidelines. Of the nine units one shall be for the Mattapoisett

Housing Authority and eight shall be HOP assisted units. They shall include four two bedroom units, one expandable two bedroom unit, and four four bedroom units distributed by planned phases of development. The HOP assisted plan will include local preference and affirmative fair marketing provisions.

No certificate of occupany of any structure will be issued until all utilities and municipal services, including fire hydrant services, are available to the lot, the way within the subdivision from Park Street to the furthest edge of the lot has been fully constructed except for a finish course of asphalt, and the applicant has posted a performance bond to the town. A Convenance will be signed by the applicant, Pleasant Street Development Corp.

Sewage arrangements for all housing units will be by gravity-feed connection to the town's public sewer system. The sewer main extension will run westerly from the subdivision to the former railroad way, southerly on the former railroad way 1500 feet, to Acushnet Road, easterly on Acushnet Road to the intersection of Acushnet Road, Main Street and Cathaway Lane, then southerly on Main Street, connecting with the existing sewer main at the intersection

of Main Street and Fairhaven Road (Route 6). The applicant will provide and install tees in the mains on the former railroad way at locations designated by the Water/ Sewer Department to provide for future sewer service connections along the route of the extension. Also to install seven tees and seven laterals to serve existing buildings along Acushnet Road and Main Street. The water service arrangements for all housing units will be by connection to the town's public water supply system. Upon completion of the development, the applicant will grant to the town a permanent water main easement or easements in all areas within the subdivision where the water mains are located in a form acceptable to the town counsel. The Board of Water/Sewer Commissioners will waive all sewer connection fees for all the units and will waive the water connection fees for the nine affordable housing units; the remaining 22 housing units to be charged a water connection fee of $550. per service (the usual fee).

The town's Conservation Commission will have jurisdiction over the final determination of water drainage arrangements for the subdivision site, an area containing 40 percent wetlands. If there is any dispute between the applicant and an officer, board or committee of the town acting under these conditions it may be submitted to the Board of Appeals for its decision.

SPECIAL PERMITS GRANTED

A special permit was granted to Anthony J. and Jean Bruno, West Walpole for alterations to their property at 13 Angelica Avenue, Crescent Beach, in Waterfront 30 District. The dwelling which fails to meet minimum street setback requirements of 25 feet and the westerly side setback requirement of 10 feet, was in existence at the time of the zoning by-law adoption in 1967, so is lawfully nonconforming and the applicants are entitled to the grandfather protection. The applicant meets the 50 foot frontage

requirement but not the 5,000 square feet size requirements.

Alterations include: to upgrade and remove the existing rear and west side entry way to the kitchen; to add to the rear of the house a new 8 foot by 16 foot deck with new rear exterior stairs two feet in depth and east side exterior stairs; to remodel the existing seven foot by 18 foot front porch by enclosing and insulating it, replacing windows, removing front entry porch and exterior stairs and adding new 7 foot by 5 foot west side entry porch and to change a number of existing windows. No one appeared at the public hearing in opposition. The proposed alterations will not be more detrimental than the existing nonconforming structure to the neighborhood.

A special permit was granted to Peter R. and Bozena Noyer, Briarcliffe Manor, New York relating to property they own at 94 Marion Road.

The applicants have purchased from Victor and Diane Lewis the former Vic's Auto Body property in general business district, and will use a portion of the property for an office, garage and parking facility for a general contracting business. The 1984 special permit granted to the Lewises was personal and expired upon change of ownership. The Noyers' business is known as Fox Enterprises.

At a public hearing there was neighborhood approval of the proposed use and no one appeared in opposition. Conditions

eye talk
Q. What should I get for my money when I have my eyes examined?
A. You should get tests to determine how well you see at far and near distances; whether or not vision problems like nearsightedness, farsightedness or astigmatism are hampering your ability to see; how well your eyes work together as a team; and how well you can change focus from near to far and vice versa.
You should also get eye health tests, including one for glaucoma, if you are over 35 or have a family history of this disease. The optometrist also can detect signs in the eyes of general health problems like high blood pressure and diabetes.
There may be other tests, depending upon the results of the basic examination.
Expect all this to take from 30 to 60 minutes and be prepared to discuss your general health history.

and safeguards include: overnight parking or storage of motor vehicles for any period of time will be limited to small vehicles owned or leased by Fox Enterprises or members of the Noyer family; no exterior storage of construction equipment, building materials or waste materials; will construct a separate driveway leading to the business area and a fence separating the business area from the residential area; the special permit will remain in full force and effect only so long as the described business is conducted on the property by members of the Noyer family or by an entity in which the Noyer family members are principals.

APPLICATION DENIED

The application of Wayne Walega, 10 Jane Lane for a Special Permit relating to property at 88 North Street for a change of the pre-existing non-conforming use was denied.

A one-story wood frame building once was the office of the Big 3 Sawmill. The Board had a general description of the succeeding type of businesses but no evidence was presented of years of occupation by the owner or various tenants. For the purpose of deciding this case, the Board assumed that the prior nonconforming business use was that of some recent tenants of the structure. These tenants have been retail sellers of clocks and timing devices and retail sellers of electronic equipment for boats. The tenants made retail sales of their products and provided service for such products. Sales, displays and storage of retail goods for sale were all inside the structure.

The proposed business use is for baking gourmet cookies on the premises in the early morning hours of each day in ovens to be installed, and selling the cookies, gourmet coffee and soft drinks "to go". Telephone orders would be taken and products delivered by van. At the public hearing, the

neighbors presented vigorous opposition to the application for a special permit. Since 1967, North Street has been zoned for residential use from Water Street to the Rochester-Mattapoisett town line, except for the established business area at the Route 6 intersection and the Industrial Park businesses easterly of North Street near the Route 195 intersection. Any change of one nonconforming business use to another in a residential area inevitably invites the scrutiny of the neighbors. The proposed use of the property is for a bakery that brings in raw materials to the premises and processes the raw materials into a product to be sold at retail. It is clearly something more than a retail store. It is a food processor or manufacturer. It is a "cookie factory". The proposed use is different in quality and character from the prior nonconforming uses. The sales "to go" for eating and drinking the products off premises reflect a difference in the degree of intensity of use of the premises.

The proposed use would be an active business attracting a high volume of traffic. Motor vehicles would be stopping and turning from North Street into the premises and out again. This activity would be the most intense at times of the day when regular North Street traffic is of high volume, and would create traffic hazards for the high volume of traffic. There would undoubtedly be cooking odors from the morning baking. The Board finds that the proposed change will be substantially more

Lloyd Center Canoe Trip

WESTPORT RIVER

The Lloyd Center for Environmental Studies is offering a canoe trip down the Westport River on Saturday, August 12th, from 9 a.m. until 4 p.m., and there are still openings available. Don't miss the chance to view this beautiful river and learn about its unique ecology.

The Westport River is the largest estuary in the Buzzards Bay region and contains the single-most highest concentration of nesting ospreys in the northeast. You will view large areas of dairy farmland and historic towns from an on-the-water perspective.

Interested persons should register by calling 990-0505. The rain date for the trip will be Sunday, August 13th, and fees are $15. for Lloyd Center members and $20. for non-members. Canoe space can be rented at $4. a person.

Other upcoming trips sponsored by the Center include a two-day sea kayaking trip through Buzzards Bay on August 19th and 20th and a large line-up of weekly walks addressing a variety of natural

Smith will be presented August 25th, 26th, September 1st, 2nd, 9th, 15th, 16th, 22nd, and 23rd at 8 p.m. Plan ahead to see Sheila Furtado as Kate Smith and Michael Ventura as Ted Collins. The large supporting cast includes Sandy Jackson, Larry Bennett, Raitt Erickson, Joan Foran, Scott Ventura, Claudia Gray, Paul Fonseca, Abbott Fay, Heahter Fournier, Kurt Buga, Joshua Cabral and Aimee Witkowicz as young Kate Smith, along with a chorus and the Mary Witkowicz dancers. Kate is adapted for the stage by Pulitzer prize nominated poet and award-winning director George W. Hayden and Joyce D. Wirth. Arrangements and orchestration is by Toni Weeden and set design by Robert Scott.

Still needed are drums, flute, trumpet, violin and clarinet (a small stipend for these musicians). For more information and reservations call 295-6768.

Kate promises to be something unique for Wareham, currently celebrating its 250th anniversary.

Tickets are $10., $8. and $6. Kate is sponsored in part by a W.A.L.C. grant. Don't miss the world premiere of Kate.

Lloyd Center

BEACH AT SUNSET

Join Lloyd Center Executive Director Dr. Alan Hankin as we explore life on the beach at sunset. This free weekly walk will be held on Sunday, August 13th, from 6:00 to 8:00 p.m. During the walk we will explore a private beach area where many species of plants and animals abound in a natural state.

As sunset approaches, many species of animals become active. Some move from day-time feeding locations to areas where they roost for the night. Others move from day-time roosts or homes to evening feeding spots. For many animals the last rays of daylight are the last opportunity for feeding or for singing and activity

This weekly walk is offered free to the public; however, registration is limited and advanced registration is required. For additional information or to register contact the Lloyd center during regular business hours at 990-0505.

Summer Concerts

AT NEW BEDFORD LIBRARY

On Friday, August 18th, "Toi Grace and The Verdatones" will perform on the steps of the Main Library, 613 Pleasant Street, New Bedford, from 12:30 to 2:30 p.m. as part of the lunch-time concert series being held this summer.

On Friday, August 25th, "Bob St. Amour" will be the featured band at the concert series on the steps of the Library, 12:30 to 2:30 p.m.

The concerts are sponsored by the Office of Community Development and the Musicians Union, Local 214.

PERFORMANCE RAINED OUT

The "Skyliners" were rained out of their performance during July. For all their fans we have rescheduled their concert for Friday, September 1st, from 12:30 to 2:30 p.m. on the steps of the Main Library, 613 Pleasant Street, New Bedford.

Y.W.C.A.

Teen Dance USA (as part of "Thursday Nights on Purchase street"), sponsored by the United Way and Seven-Up, will be held from 8 to midnight, with Mr. DJ, at the New Bedford YWCA; admission is free but limited to the first 250. There will be a dance contest, lip sync contest, limbo contest, prizes, refreshments. Call the YWCA at 999-3255 for more information.

PAINTINGS ON EXHIBIT

Original paintings by Louise Develin of Westport on exhibit in the YWCA Art Gallery throughout the month of August.

YOUR LIBRARY".

Beth Katz is a native of Exeter, New Hampshire and has toured the New England states for the past three years with her "Love Your Library Show". The puppet show is free; the sponsors who have made the event possible are New Bedford Institution for Savings, Silverstein's, Friends of Casa and the New Bedford Free Public Library. Performance shedule on August 11th: 10:00 a.m., Howland-Green Branch, 3 Rodney French Boulevard; 11:30 a.m., Buttonwood Branch, 745 Rockdale Avenue; 2:30 p.m., Casa Da Saudade, 58 Crapo street; 4:00 p.m., Wilks Branch, 1911 Acushnet Avenue.

Children's Theatre, Great Woods

See the adventures of the court jester, the king, queen and pages in the sparkling musical adaptation of "Sleeping Beauty" by the Yates Musical Theatre presented as part of the Great Woods Educational Forum 1989 Children's Theatre Festival. Performances are on Thursday, August 17th, at 10 a.m. and 1 p.m. on the campus of Wheaton College in Norton. Tickets, priced at $6., can be ordered through the Forum Box Office by calling 285-8391.

The Great Woods Educational Forum Children's Theatre Festival is sponsored, in part, through a grant from BayBank Southeast, a regional financial institution with 17 offices located throughout Bristol County, Massachusetts.

The Yates Musical Theatre has unique talent and appeal. The professional touring company has been performing at Great Woods since 1986.

Great Woods Educational Forum, part of the Great Woods Institute for the Arts, is a non-profit, tax-exempt presentor of arts and arts education.

Clairvoyant to Lecture

A lecture, "A Clairvoyant's Perspective on Living", by Ellen Tadd will be presented at the Marion Art Center on Friday, August 18th, at 7:30 p.m. Ellen Tadd is a clairvoyant counselor, lecturer and instructor. Using the clairvoyant gift she has had since childhood, Ellen has touched the lives of thousands of people in their quest to understand themselves and life more fully. Tickets ($15.)may be purchased at the door.

Friends of Wholism

Come and browse at the first Annual Wholistic Affair on Sunday, August 20th, from 10 a.m. to 4 p.m., rain or shine, at the Standish House, 20 South Sixth Street, New Bedford. Take this opportunity to meet the wholistic community of greater New Bedford. Experience demonstrations of techniques and practices. See displays of wholistic and new age books, tapes, crystals, natural products, herbs, wholefoods, and more. There'll be music, dancing, yoga, Tai Chi, eating and talking. Also, fun, games, balloons and clowns for the kids. Admission is $2.00; children, $1.00. Here's a chance to ask questions and discuss first-hand what's new for you. Directions to Standish House: From I-195 take exit 15 (Route 18, downtown); proceed 1 mile through the set of lights (Union Street); bear right after lights at School Street Exit; go up 5 blocks to South Sixth Street. The Standish House is on the right.

Scottish Pipe Bands

AT HERITAGE PLANTATION

Scottish Pipe Bands have become very popular with visitors to Heritage Plantation of Sandwich returning season after season to perform. This summer is no exception, for on Sunday, August 20th, The Clan Sutherland and Highland Light Scottish Pipe Bands will play and march to the Military Parade Field where they will perform at 1:00 p.m. and 3:00 p.m.

As an added attraction, The Highland Light Society will bring three young Scottish dancers to round out the program. The Summer sisters are from Chatham, and will be attired in Scottish costumes.

The colorful Highland Light Scottish Pipe Band is Cape Cod's own. The Band actually evolved from a highly successful adult education course offered at D-Y High School. The course was organized by Bill Brittain and Bruce Cameron Williams who are pipe enthusiasts and players.

Both Pipe groups wear regimental dress for parades. This consists of kilts and khaki shirts with sporrans worn on the front. The kilts are subdued blues and greens. This is hunting tartan of the Stewart clan which makes the wearer less visi-

RELAX! ALOE VERA FACE LIFT FACIALS
SET-ME-FREE BODY WRAP
4 to 15 or more inches lost each wrap. Alovera penetrates the fat-cleansing herbs into fatty deposits and cellulite. The special herbs dissipate the toxins into the body system; they are cleansed from the body by drinking water after the wrap.
. Be inches smaller 2 or 3 days after the wrap.
. No creams or plastic wrap.
. Not a compression wrapping method.
Set-Me-Free offers you a healthy alternative to every quick diet, and your results can be: keeping off unwanted inches and pounds; excellent posture; less body ache and strain; relaxation from stress, smooth texture to your skin & body.
TOTAL NEW METHOD IN WRAPS - Like nothing you've heard of before. Complete privacy. By appointment. 7 days a week.

ble in the woods.

The sporran is a pouch or pocket made of horsehair. Pipers wear glengarry caps decorated with cock feathers. The pipes themselves are colorful with tassels tied to the end of the drones. From the minute they assemble at the Main Gate and march through the grounds visitors are caught by the haunting sounds of the bagpipes.

Heritage Plantation is three miles from the Cape Cod Sagamore Bridge, exit on Route 6A, then go right on Route 130 to Pine Street and the Museum.

Tickets for the day are good for all exhibits and events held on the ground that day and include admission to an afternoon or evening concert. Please bring

For Small Businesses

SMALL BUSINESS ROUND TABLE

The New Bedford Area Chamber of Commerce's Small Business Committee is now conducting a Small Business Round Table once a month at the Chamber office. The Small Business Round Table is a confidential, non-competitive group of business people who draw on each other's knowledge, skills, and expertise as an innovative way to solve everyday business problems. The Round Table is an educational and informative experience as well as an excellent networking opportunity. Also, highlighted each month is a speaker to discuss business or community related issues followed by a question and answer period.

On August 15th Edward Taylor, consultant and owner of Taylor Risk Management Associates, will be speaking on the subject of workmen's compensation and liability insurance.

The Round Table is open to anyone who would like to attend, and there is no fee for participation. The group meets every third Tuesday of the month from 7:30 a.m. to 9:00 a.m. at the Chamber office.

To R.S.V.P. or for more information please contact Linda Mariorenzi at 999-5231.

Wareham Flea Market

The ninth annual Flea Market, sponsored by Wareham American Legion Post 220, will be on August 12th from 9:00 a.m. to 4:00 p.m. at the Post Quarters on the corner of 777 Main Street and Tobey Roads. There will be baked goods, cafeteria facilities, crafts and rummage. Activities are both inside and outside; to be held rain or shine.

Tables may be obtained for $10.00 by calling 295-1876 or 295-4790.

"Lewis & Clark" Exhibit

"Lewis & Clark: The Corps of Discovery" is currently on exhibit in the Military Museum at Heritage Plantation of Sandwich. These two intrepid explorers returned from their famous expedition of 1805-1806 with a remarkable collection of native American artifacts. Now these artifacts are being shown together for the first time in almost a hundred years. The show will run through October 29th.

The Lewis & Clark expedition explored vast areas of the Louisiana Purchase and Oregon Territories and the exhibition includes some of the most historically significant Plains and Northwest Indian objects still in existence.

Featured in the show is a collection of beautifully decorated Plains pipes and calu-

Clark, two extremely rare Teton Sioux raven skin badges of office, an Ojibwa owl feather flag, a Sauk otterskin pouch and two Cree women's dresses, one of which is the oldest dated piece of Western Indian beadwork.

Many of these objects were originally given to President Thomas Jefferson by the famous explorers and displayed at his home, Monticello. Several artifacts were later donated to Charles Wilson Peale for exhibit in his Philadelphia Museum, then taken to Moses Kimball's Boston Museum and finally, in 1899, turned over to Harvard University through the efforts of Charles C. Willoughby, curator and later director of the Peabody Museum of Archaeology and Ethnology. The exhibit was prepared by Dr. Ian Brown and designed by Richard Riccio of the Peabody Museum Staff and was made possible in part by a generous grant from The Fortress Corporation, museum quality storage, Boston and Miami.

Heritage Plantation is three miles from the Cape Cod Sagamore Bridge, exit on Route 6A, then go right on Route 130 to PIne Street and the Museum.

Tickets for the day are good for all exhibits and events held on the grounds that day and include admission to an afternoon or evening concert. Admission prices are $7. for adults, $6. for senior
